MUNYON'S MINTED BROMO

A BUBBLING TONIC

For Headaches, Brain Fag, Sour Stomach, Nervousness and Exhaustion

There are thousands of people that demand and require an effervescent stomach and nerve energizer. People who over-eat or over-drink, women who are nervous from over-work or shopping, business men from brain fag, sleeplessness and exhaustion, but especially those afflicted with headaches we most urgently ask to use MUNYON'S MINTED BROMO.

Unlike the old fashioned bromos that depress the heart, irritate the kidneys and paralyze the nerves, Munyon's Minted Bromo corrects headaches in from three to ten minutes, sweetens the stomach, rests the brain and nerves and builds up the general system.

Sold by druggists, 10, 25, 50 cents and $1.00 per bottle. Send 10 cents for trial bottle

I WOULD RATHER PRESERVE THE HEALTH OF A NATION THAN BE ITS RULER
MUNYON

Extracts From Professor Munyon's Writings.

Confidence once shaken can never be reinstated to its full dignity.

I would have phrenology taught in every school and a chart furnished to parents showing the characteristic tendencies of each of their children.

I would fill pulpits with teachers instead of preachers.

I would take every boy and girl under sixteen years of age from mines, mills, shops, stores and factories, and place them in schools.

I would make the study and practice of hygiene compulsory, and place it ahead of geography, or even arithmetic.

I would place a premium upon physical development.

I would make health-getting more popular than money-getting.

I would have whipping-posts for wife-beaters.

I would have a brand placed upon the forehead of every person who destroys the chastity of home.

I would make motherhood sainthood.

I would make every man feel that he is an ambassador from God.

I would not permit any person to practice medicine who had not graduated from both the regular and homoeopathic schools.

Generals may lead armies to battle, statesmen may promulgate new laws, and divines point the way to future life, but he who ushers life into the world and safeguards it to its end is man's best friend and God's noblest work.

The strength and greatness of a nation depends upon the health and virility of its citizens.

To be strong morally, one must be physically strong.

When marriage contracts are based on physical and moral requirements, life will be prolonged, sickly offspring averted and domestic happiness secured.

Laughs have cured more people than pills.

I firmly believe that comedians have done more to keep mankind in good health than physicians or medicine.

The mind has a wonderful influence on the human system for good or evil. Persons in cheerful spirits are seldom troubled with indigestion or nervousness.

I claim that it is the duty of the Government to establish a health bureau that shall issue to all people such information as will enable them to judge rightly what to eat, what to drink, what to wear, what to avoid to maintain good health and prolong life.

I am unalterably opposed to the landing of another emigrant laborer, skilled or unskilled, until all the idle of our country are employed.

I claim that the craving for alcoholic stimulants is a disease of the stomach and nerves just as much as consumption is a disease of the lungs.

Intemperance, in my opinion, is the curse of the world.

Health is the open door to success and happiness.

If I were to write a formula for the general welfare of humanity, it should be—Get well! Get well, even if it takes your last dollar.

I firmly believe that the time will come when governments will pass laws compelling people to keep in good health.

I believe in my remedies. I know that they will do all that I claim for them.

Do you want information on any subject? Write to the Hope Association.

There is no cause so holy and inspiring; no vocation so lofty and ennobling; no labor so worthy of man's gratitude and God's blessing, as an earnest effort to relieve suffering humanity.

Get well! There is hope.

I have no curealls. I have prepared different remedies for different ailments.

Many a talented person is unconsciously battling with two adversaries, poverty and disease. Conquer disease and adversity will capitulate to fortune.

Don't be a cipher! No matter to what station, profession, occupation or labor you may be called. Put your whole heart, soul and strength into it; be a figure in it; be something without the aid and assistance of another.

Associate with men of energy and high purpose. Steer clear of liars, loafers, gamblers, schemes and schemers. Tell the truth. Guard your honor. Avoid intemperance in all things.

If you can not be a great lawyer, doctor, merchant or preacher, be something, make yourself felt, whether it be in the office, shop, factory or farm.

Discard theory for facts. Theory is the lazy man's staff. Facts are the rungs upon which the student climbs to eminence.

Don't squander money. A bank account properly applied is a lever which raises one from dependence to the high plane of independence.

A cipher man is always waiting for something to turn up. He is but an echo of other people.

I would put in every home the weapons with which to conquer disease.

The horrors of war are nothing to the horrors of disease.

To relieve suffering and scatter health is my greatest happiness.

It is a disgrace for a nation to permit thousands of its people to die every year from lack of proper medicines and proper medical care.

Better take no medicine at all than take the wrong kind.

People should die only from old age or accident.

Show me the quality of the wife, and I will tell you the standard of the husband.

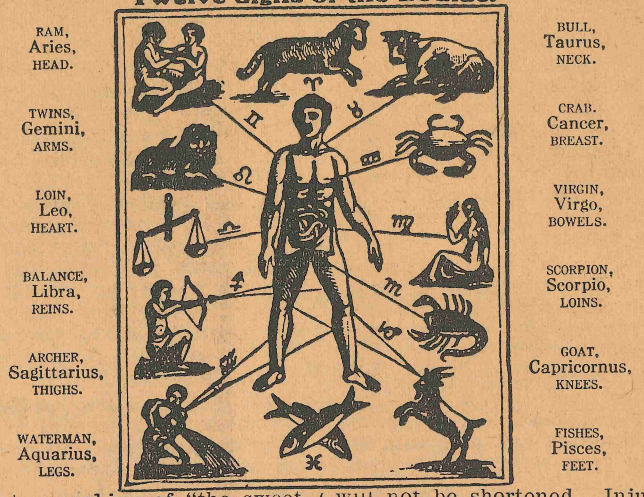
MUNYON'S WITCH HAZEL SOAP—A GREAT SKIN CURATIVE.

BIRTHDAY PREDICTIONS OR A HOROSCOPE OF YOUR LIFE.

Twelve Signs of the Zodiac.



The notion that it is wrong to consult horoscopes and astrologers is clearly absurd. If it is permissible to make weather forecasts it is certainly equally permissible to obtain by any means in our power all the knowledge attainable about the future either of individuals or of nations. The Bible makes several significant references to the stars and the planets, speaking of "the sweet influences of the Pleiades" and of the "bands of Orion," and "The sun shall not smite thee by day nor the moon by night."

Every person is born under some sign, and the personal appearance and character are largely shown by that sign. Aries (the Ram) denotes persons of middle stature, rather lean, ambitious and inclined to be quarrelsome. Persons born under Taurus (the Bull) are short, thick-set, conceited and gluttonous. Those born under Gemini (the Twins) are tall, fond of science, and good members of society. The children of Cancer (the Crab) are of medium height, timid, eccentric and careless. Leo (the Lion) gives height, strength, generosity and love of sport. Persons born under Virgo (the Virgin) are slender, ambitious, and eloquent. Those born under Libra (the Balance) are of good height, loving, and good tempered. Those born under Scorpio (the Scorpion) are of middle stature, with strength, robustness, daring and some conceit. The children of Sagittarius (the Archer) are rather tall, comely, upright and generous. Capricorn (the Goat) gives a low stature, badly-formed body, subtility, thrift and fickleness. Persons born under Aquarius (the Water-Bearer) are of middle stature, studious, good, and gentle, and those born under Pisces (the Fishes) are short, stout and inclined to be indolent. Persons born near the middle of the day will be exceptionally fortunate. They will prosper in business and their lives will be active and well spent. Girls born then will very probably obtain husbands who will either be very rich or above them in rank. Persons born about midnight will also become distinguished and may acquire a goodly share of renown, but they need not expect such notable careers as are granted to their brethren who are born about noon. Fortune, too, will shun them until after the thirtieth year, and up to that time they will attain to no great publicity. After the 30th year, however, their talents will shine forth and many will honor them. Those born about sunset will, if boys, be successful in business, and if girls, will be fortunate in marriage. Those born when the sun is in the Ram — March 21 to April 19—will meet with many accidents, whereby, however, life will not be shortened. Injuries may come to them from horses, fire-arms or sharp instruments. A girl born then may be wounded on the head or may have a birthmark there or on the feet. She will have a quick temper and be somewhat eccentric. Children will be born to her and her first child will not live. Boys born then will never be wealthy or poor. Clever, studious and eloquent they will be, but their days will be embittered by enemies among whom will be their own kindred. Fortune and much renown will be theirs, and the girls also, if born during the day, will have these successes; if born during the night, much affliction.

April 19 to May 20—when the Sun is in the Bull—assures to the child born during that time a tempestuous youth and joyous old age. Every hard enterprise will prove successful to them, and they will win many a victory. They will also travel far from the native land. In youth they will be quick tempered and hot blooded, and if they marry then will be sorely disappointed. Sickness and accidents will afflict them, especially in the 28th and 35th year. In the later years they will prosper both in money and marriage. A girl born then will be sensible, witty, and a great talker. She will rebel against control and will be too fond of the opposite sex. Slanderers will malign her in youth, but their enmity will hurt her but little. She will have many children and will marry more than once.

Children born when the Sun is in the Twins—May 20 to June 21— will be generous, witty, wise and careless about money matters. They will never be wealthy, but will obtain a good livelihood. The boys will be chosen to offices under the government or employed by large corporations, and will be esteemed for their fidelity and loyalty and attention to duty. They will be general favorites and delight in all elegant arts and sciences. With girls, their critical year will be the 23rd, when danger is threatened either through some weapon or a dog's bite.

PAWPAW LAXATIVE PILLS, LARGE BOTTLES, 45 PILLS, 25c.

June 21 to July 22—when the Sun is in the Crab—will cause boys born then to be sharp, argumentative, amorous, and wonderfully fond of a seafaring life. They will acquire riches for others, but not for themselves. Fortune will not smile on them until after the 26th year. Girls born then will be stout, good-looking and active. They will be in peril during childbirth and when traveling by water. The first child will be a weakling.

A boy born when the Sun is in the Lion—July 22 to August 22—will have a large, strong body and in disposition will be arrogant, scornful and headstrong. He will also be eloquent and benefits will come to him from high officials. He will have numerous enemies and will be beset with numerous perils, but by good judgment will he escape all dangers. He will not be fortunate with his children, and if any grow up they will cause him much sorrow. As with boys, so with girls born in this time. They will be hot tempered and prone to make mischievous use of their tongues. They should beware of hot water and may look for gnawing pains in their stomachs. As housekeepers, few will excel them. They will easily get husbands and will have but few children.

A boy born when the Sun is in the Virgin—August 22 to September 23—will be comely, witty, honest, ambitious and generally fortunate. He will lose some property by thieves or cheats, but in the end he will triumph over his enemies. He will be a lover of women and his wife will die at an early age. In the company of great men he will find much pleasure. Much happiness will be his and he will be respected by many. A girl born then will be prudent, honest, glib of tongue and rather irascible. She will marry at about 16, and her first-born will be a goodly babe and a most persuasive speaker.

Those born when the Sun is in the Balance—September 23 to October 23—will be handsome, eloquent and of good repute. They will, however, be unstable and will suffer much during life. Of fire and boiling water they should especially beware. The men will have trouble with their wives and will be over-fond of other women's society. Many will even separate wholly from their wives. Girls will be merry, light-hearted, favorites in society and will delight in country life. They will marry when they are about 23, and will live happily with their husbands.

Those born when the Sun is in the Scorpion—October 23 to November 22—will be full of courage and anger and much given to flattery. They will make many promises, but will not perform them. They will beguile those who trust them and will lure their enemies to destruction with smiling faces. Great rank they may attain either in the service of wealthy potentates or as leaders of common people. A girl born then will have trouble with her first husband, but will live happily with her second. She will have pain in the side or stomach and moles or other marks on the head, shoulders or arms. Sometimes persons born at this period become notorious robbers.

Persons born under Scorpio often win renown as surgeons, soldiers or by their skill in the occult arts.

A boy born between November 22 and December 21—when the Sun is in the Archer—will be a great traveler and he will not return home until he has amassed much gold. Through friends he will obtain promotion and he will spend many years in the service of rich men. He will be strong of body and noble of soul, and he will greatly delight in martial and athletic exercises.

A boy born when the Sun is in the Goat—December 21 to January 20—will be petulant, prone to anger and too fond of low company. He will love passionately and his sweetheart will cause him much woe. He will spend money liberally in youth, but will grow covetous in old age. He will never be wealthy, but will prosper somewhat in commerce and in travels to the East. He will have many enemies, but patience and a stout heart will enable him to overcome them. The girl born at this period will be a great traveler. Her enemies will not be able to prevail against her. She will lack courage and be over-sensitive.

A boy born when the Sun is in the Water-Bearer—January 20 to February 19—will have his share of misfortune. Fevers will attack him and water may do him harm. He will, in early youth, travel far abroad, and make and waste some money, though not much. After middle life he will regret the errors of his youth, and will prudently and successfully labor to amass a sufficiency for his old age. In marriage he will not be fortunate, and from women he will receive few favors. His wife will be sickly and will not live long. After she has passed away, some measure of happiness will come to him. A girl born then will meet with much good and much evil fortune.

A boy born when the Sun is in the Fishes—February 19 to March 21—will lead a checkered life. He will be merry and good tempered, and very fond of the society of upright men. He will be afflicted in youth and may not live long. If he survives his 35th year, however, there is every chance of a long life. Some legacy may fall to him, but he will never be rich. Women will exercise an undesirable influence over him and he will not prosper until after middle life. A girl born then will have much trouble in married life and will many times suffer with pains in the intestines. She will separate from her husband, and, if she does not marry in early youth, she may throw herself away on a worthless debauchee. In disposition she will be quarrelsome and her tongue will be that of a shrew.

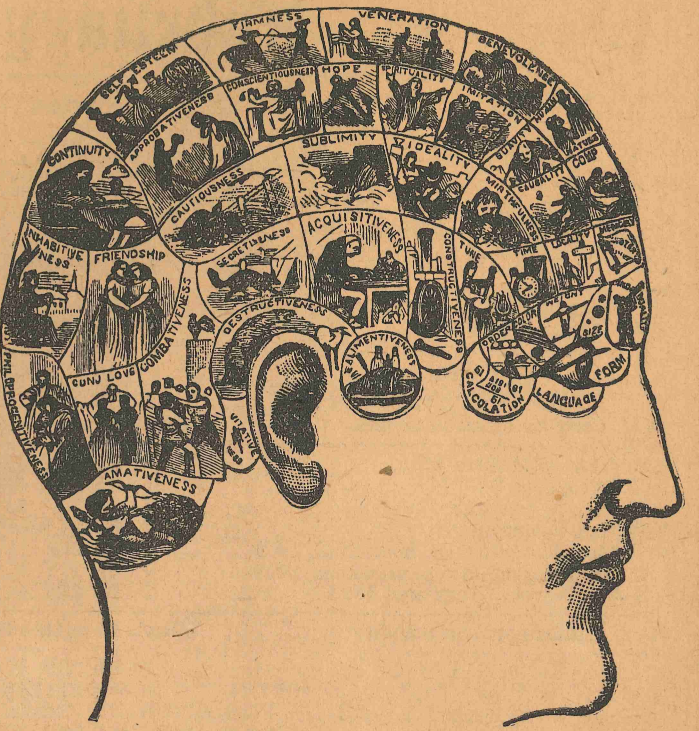
Phrenology.



Attention is called to the Phrenological Chart which is given below. This chart enables one to read intelligently character by the bumps and formations of the head. The diagrams show the location of the organs and the illustrations are symbols that make the explanation more readily understood—the fox for secretiveness, the miser for acquisitiveness, and so on. The reader must judge largely by the size of the bump development. With this chart parents can readily make a systematic study of the individualities of each child, and will be thus better enabled to guide the child in the correct selection of the life-work for which nature best has fitted it. By so doing and by making frequent comparisons of these records parents would very greatly lessen the number of failures among their offspring to select the proper life-work. Parents should read the heads of their children at least once a year and keep a written record of it so that they may understand the child's yearly development.

To enable the reader to properly make the readings, all that is necessary is to consult the symbols on the chart. Then, with the thumbs and fingers for indicators, run the fingers about the head to ascertain bumps or other peculiarities of the head. No two heads are exactly alike.

If the bump is found to be large it indicates that the faculty is highly developed. If the bump is of moderate size the faculty is only average. If it is small it indicates that the faculty is of negative nature. For instance: By an examination of the chart the reader will observe just over the ear the faculty Destructiveness. If this bump is large it indicates that the characteristic of the child is cruel, vindictive, revengeful, fearless. If it is only of moderate size it indicates that the child is not severe nor revengeful when angry; would not cause pain, suffering or death. Should the faculty be very small, it indicates that the child is opposed to cruelty and refuses to witness pain or suffering.

And so on with all the faculties. Parents should bear it in mind that these faculties, if taken in early childhood, may be developed to give force and character to certain prenatal tendencies, and unfavorable characteristics can, if judiciously studied, be trained into the proper channel or entirely removed by the development of other faculties.

"I Suffered Six Months, Was Cured in Two Weeks."

For six months the dangerous disease, Bronchitis, held George H. Lewis, of 453 Main street, Kingston, Pa., in its firm grasp until he had about despaired of getting relief. Doctors could do him no good and remedies recommended to him by friends and neighbors failed to give him any benefit, until he consulted Munyon's doctors and used Munyon's Cough Remedy, which entirely cured him. He says: "I suffered with Chronic Bronchitis for six months, and during that time tried many doctors and remedies, but could not get any relief until I went to Munyon's doctor. He gave me Munyon's 3X Cough Remedy, which cured me in two weeks. I want every one who is suffering to know this."

PALMISTRY.

These are the rules of palmistry as practiced by the most successful palmists of to-day. They should be read carefully and committed to memory, so that they may be applied rapidly while examining the hand. A ready flow of words must be acquired for the successful practice of palmistry.

Long fingers indicate artistic temperament and love of detail, especially in the decorations of a room. Have excellent memories for names and persons. Are quick to notice trifles. Make excellent mimics and are affectionate.

Short fingers show impulsiveness, they form conclusions too rapidly; they care little for appearances, and are inclined to override the conventionalities of society.

Thick and heavy fingers are more or less selfish.

A dry palm, which is thin and hard, indicates want of energy.

Brute force and obstinancy are indicated by a thick, clumsy palm.

When the palm is not too large, but firm, there is evenness of temperament and quick intelligence.

If the palm is soft and flabby, it is a sign of indulgence and love of luxury.

A decided hollow in the palm is an unfortunate sign, which means disappointment. If under the line of Apollo, it indicates failure. If under the Line of Heart, disappointment in love.

If all the joints are well developed, the person is orderly, and has good calculation and method.

A well developed first joint indicates a love of overcoming difficulties. A long second joint, a leaning toward analysis.

Large hands indicate a love of detail. Usually their handwriting is small and neat.

Small hands are the sign of large ideas; too large in fact for their power of execution.

The joints divide the fingers into three parts.

If the first joint is well developed, indicative of magnetism and intuition. These are the people who love to study other people's minds.

The second division indicates love of reason.

The third gives material instincts and ideas, and if full, indicates a love of good things of this world.

If the fingers are stiff and drawn inward, they indicate timidity, excessive caution and reserve.

When supple and inclined to bend back, they indicate a clever person, but extravagant and a charming companion.

Pointed fingers show a desire for affection, for enthusiasm and the possessor is liable to be very impressionable, and have a touch of ideality.

Square fingers indicate the love for logic, for politics; they respect authority and order.

Nails broader than they are long, are the possession of the quarrelsome, argumentative person. Short nails, well formed, show power in criticism and argument. If very decidedly marked on third finger, mimicry and humor. Large nails show carefulness in business, and large nails, as a rule, show greater calmness than the short type.

The short-nailed person is a great critic, is hard to beat in an argument; quick in debate and repartee, they see the point instantly and bring it out to the undoing of the opponent.

Particular attention should be paid to the thumb. You must look for the full test of character in its formation. A long first phalange shows self-reliance, power over others. If full and turned backward readiness to make a promise, but liable to break it; generous, extravagant. If thin and flat, and turned slightly backward, it indicates decision and control over temper. If very pointed and turned backward, extravagant, impulsive.

A passionate nature is indicated by a stiff, straight thumb. These people never accommodate themselves to their surroundings; more reliable in their promises, however, than people with thumbs turned backward.

If the second phalange is long and heavy, the person is slow of decision and lacks will power to carry out their decisions.

When the two phalanges are equal in length, will is equal to execution.

The highest order of diplomacy goes with the hour glass formation. These people extricate themselves from any difficulties.

When thumb is encircled by the Line of Life, good health is indicated when it is long and clear. If made up of little pieces or light, it is the sign of ill health. When broken in the left hand and joined in the right, it predicts an escape from serious illness. If the line starts from the Mount on the first finger, it tells of a life of ambition. When closely mixed up with the Head Line, it shows ambition and intelligence, but extreme nervousness. If a wide space exists between the two lines it shows a foolhardy, reckless person When the three lines unite at the side of hand, it indicates a person who will rush blindly to moral or physical catastrophe.

Drooping lines running from the Line of Life show losses of money or health. All lines that rise from it toward the first finger, are gains and successes.

The Line of the Head is the second line straight across the palm. If straight and even it indicates good sense; sloping, a leaning toward romance; if going unbroken to the other side of hand, intellectual power but selfish.

When the line is short it indicates a want of will. When chained, it shows indecision. When the line lies close to the Line of Heart, it is unfortunate, as the heart will dominate the head. When there is a good open space between the Line of Head and Heart, it speaks well for any one.

The Line of Heart is the first line across the palm under the fingers. It shows an enthusiast. If it rises under the first finger, it shows a person who would never give more than a calm, tranquil love; if it rises between the first and second fingers, the person is selfish in his affection and not expressive of feeling.

If the Line of Heart goes right across the hand from side to side, it shows great jealousy, with an excess of affection. When networked by a crowd of lines, it tells of inconstancy, no lasting affection. If the line is almost obscured, it shows little affection and an unbending will. If the Line has a sharp fork at the base of the finger, loyalty and constancy in love is indicated.

The Line of Fate rises from the wrist and traverses the centre of the hand, terminating at the fingers. If it takes its rise at the Line of Life, personal merits will win success. When the line rises right at the wrist and runs straight up the hand, it indicates extreme good fortune. If the line goes towards the base of the little finger, success in commerce of science; if to the third finger, distinction in dramatic work. If it goes to the base of the first finger, power and ambition in life. When it goes to the second finger, it is an unhappy sign. When stopped by the Line of Head, a fortune lost through speculation. If it rises from the Line of Head, success will be won later in life by the exercise of one's talent. When stopped by the Line of Heart, affection will predominate over fortune. When, however, both lines go together at the base of the first finger, it is the greatest sign of success shown in the hand. When the Line of Fate is broken, life will be full of trouble. A break is not invariably a bad sign; if one branch begins before the other leaves off, it is a sign of change and advancement.

People who lack a definite Line of Fate, have no marked individuality.

Neuralgia Quickly Cured.

Excruciating Disease Put to Rout by Munyon

Better After Three Weeks of Munyon's Than Three Years of Doctors.

Mrs. Ellen B. Schmitt, who resides at 436 North Thirteenth street, Reading, Pa., says: "I was sick about three years, suffering from Kidney trouble, Nervousness and Rheumatism and weakness below the knees. I tried three different doctors and every patent medicine I heard of, taking some medicine all of the three years, but never got relief from the knees, always worse. Now, after three weeks of Munyon's Remedies, I am better off than at any time for three years."

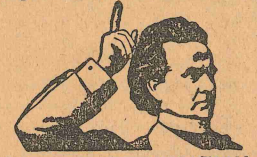
RHEUMATISM.

ACUTE, INFLAMMATORY, GOUTY, MUSCULAR, LUMBAGO, SCIATICA, AND CHRONIC

MUNYON'S RHEUMATISM REMEDY.

is almost an infallible cure for acute or muscular rheumatism in from one to five days. It seldom fails to cure sharp, shooting pains in the arms, legs, side, back or breast, or soreness of any part of the body in from one to three hours. It is a speedy and complete remedy for lameness, stiff and swollen joints, stiff back, and all pains in the hips and loins; chronic rheumatism, sciatica, lumbago or pain in the back. It rarely fails to give relief after one or two doses, and usually cures before one bottle has been used. The usual treatment for rheumatism consists of poisonous doses of potash, salicylic acid, colchicum and morphine, which destroy the stomach, irritate the kidneys, prostrate the nervous system, and ruin the health. **Munyon's Rheumatism-Remedy** is guaranteed to be absolutely harmless, and a strong tonic in building up the weak and debilitated. We can refer to thousands upon thousands of people who have been cured by this remedy. **Price, 25 cents.**

HOW TO DETECT RHEUMATISM.



I want every chronic rheumatic to throw away all medicines, all liniments, all plasters, and give MUNYON'S RHEUMATISM CURE a trial. No matter what your doctor may say, no matter what your druggist may say, no matter what your friends may say, no matter how prejudiced you may be against all advertised remedies, go at once to your druggist and get a bottle of the RHEUMATISM CURE. [He will get it for you if he has none in stock.] A few doses will take away all aches and pains, and a cure generally follows before one bottle is used.

Remember, this remedy contains no salicylic acid, no opium, cocain, morphine or other harmful drugs. It is put up under the guarantee of the Pure Food and Drug Act.—MUNYON.

Do you have pain in the back, hips, or loins?
Are the ankles and feet swollen and dark red?
Are your finger-joints enlarged, red and tender?
Do you have pain in the hips and down the leg?
Do you have stiffness and soreness of the muscles?
Do you have lameness, tenderness and swelling of the joints?
Do you have shooting pains in different parts of the body?
Do you have stiffness of the shoulders?
Is the great toe joint swollen and sore?
Do you have a crick in the back or neck?
Do you have a catch in the back when rising from a chair?
Do you have sharp pain in the hips in taking a sudden step?
Do you have lumbago, or aching and stiffness across the small of the back?

If you have any of the troubles enumerated above, you need Munyon's Rheumatism-Remedy.

MONEY REFUNDED

Ask your druggist for a 25c. bottle and if you are not satisfied I will refund your money.—MUNYON.

RHEUMATISM CONQUERED.

Prominent Financier Cured.

Mr. Wm. J. E. Reynolds, ex-banker and financier, writes:

Philadelphia, Oct. 29, 1907.

"I was perfectly helpless with rheumatism. I could not walk. I could not stand. My feet, ankles and knees were terribly swollen and I had not known a night's rest for more than a year. I used every available remedy known, with little or no relief. A friend advised Munyon's Rheumatism Remedy and reluctantly I tried it. The first bottle relieved and I purchased another. Before the second bottle had been half used I was absolutely and perfectly cured. I never felt better in my life than I feel now.

"I shall always be but too happy to give a fuller account of what Munyon's wonderful Rheumatic Remedy did for me and cheerfully invite any sufferer to visit or correspond with me upon the subject.

"WM. J. E. REYNOLDS, 224 S. Broad St."

RHEUMATISM.—A TRULY AMAZING CURE.

Age No Impediment.—A Woman of Seventy-two Entirely Cured.

Mrs. Mary A. McClintock, of 1032 Spring Garden street, says: "I consider Munyon's 3 X Rheumatic Remedy the safest and best cure for rheumatism ever offered a suffering public. I have been afflicted with the most painful and distressing rheumatism imaginable for upwards of three years. I was so bad with it that I suffered agonies when I was moved. It affected my back, shoulders and neck, and nothing gave me relief. When I was lifted up in the mornings I screamed with pain. I got a bottle of Munyon's 3 X Rheumatism Remedy and began taking it. I took one pellet every hour and the second day I felt relieved. I have now taken but one bottle and every phase of pain has left my back and neck, and I feel that it will never return. I am in my seventy-second year and can positively say that age is no impediment to the wonderful curative powers of Munyon's Remedies.

"MRS. MARY A. McCLINTOCK,

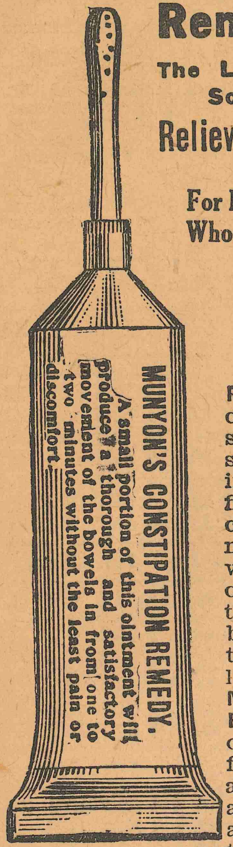
MUNYON'S HEADACHE REMEDY, LARGE BOTTLE, 25c.

Munyon's Constipation Remedy.



MUNYON'S CONSTIPATION REMEDY.
A small portion of this ointment will produce a thorough and satisfactory movement of the bowels in from one to two minutes without the least pain or discomfort.

The Latest, Best and Most Scientific Treatment.

Relieves in Two Minutes.

For Babies, Invalids and Those Who Cannot take Cathartics.

Try it Once and You Will Never Cease to Thank Munyon.

Munyon's Constipation Remedy consists of an ointment contained in a soft metal tube. After inserting the tip of the tube into the bowels, four or five gentle pressures will carry a little of the ointment into the bowels. A very small portion of the ointment will produce a thorough evacuation of the bowels, in from one or two minutes, without the least pain or discomfort. **Munyon's Constipation Remedy** is absolutely clean, and the public will find it invaluable, as it acts so promptly, can be applied at any time. It is a prompt tonic and curative. It soothes, heals, stimulates and strengthens the bowels, restores them to a healthy condition, and habituates them to regular action.

The Constipation Remedy is prepared in two sizes—25 cents and 50 cents. The larger size contains three times the quantity of the small size.

BLOOD DISEASES.

SCROFULA, ERYSIPELAS, SALT RHEUM, ECZEMA, SYPHILITIC AFFECTIONS, SKIN ERUPTIONS.

There are many kinds of blood diseases. Each should have a separate and distinct treatment. For all ordinary forms of blood ailments and impurities caused by mal-nutrition, indigestion, or from any liver disorder, I cannot too strongly advise the use of Munyon's Blood Remedy. When taken in conjunction with Munyon's Liver Remedy, it will almost invariably cure salt rheum, eczema, pimples on any part of the body, mercurial taints, blotches, liver spots, tetter and most cases of erysipelas. Wherever one is subject to constipation, I would advise the use of Munyon's Constipation Remedy.

Munyon's Blood Remedy is put up in two forms and two sizes. The 25 ct. size is for mild, simple cases. Munyon's 3X Blood Remedy, large size, price $1.00, is prepared expressly for those with chronic or more serious conditions.

Munyon's Liquid Blood Remedy (tablet form) is prepared especially for all syphilitic affections.

In offering this Blood-Remedy to victims of this dread disease, I feel that I am conferring a great blessing, not only to the present generation but to future generations, for I have proven in thousands of instances that this remedy will not only heal ulcers and sores, stop the hair from falling, remove all swellings and lumps, but it will positively drive every vestige of syphilitic poison from the blood. It is a wonderful tonic, also, in building up the general system and restoring vigor and strength to those debilitated from this consuming disease. While I do not approve of unnecessarily frightening people who have any dangerous ailment, yet I think it my duty to sound a loud warning to every person who has, or suspects he has, any syphilitic taint in his blood to begin treatment at once. To permit this disease to get a strong foothold means rotting of the bones, destruction of the tissues, the loss of hair, the loss of taste and smell, and eventually corrupting the whole system. Thousands of people are suffering from this disease who are wholly innocent of any fault of their own. It has been handed down to them by either their parents or their ancestors. The disease can be cured, but it takes will power and persistent treatment. People who have this disease should be moral in their habits and temperate as to eating and drinking.

Treatment.—We have the quickest and best results in the treatment of this disease by taking the Liquid Blood Tablets as directed and using in conjunction Munyon's Liver Remedy and Paw-Paw Laxative Pills. The object of the Liver Remedy is to keep the liver active, so that all the poisons of the body can be carried through the natural channels. With this system of treatment faithfully followed, I believe that nearly every case of syphilis, no matter of how long standing, can be cured.

The price of the Liquid Blood Tablets is $2.00 per bottle, and they will last several weeks. The price of Paw-Paw Pills is 25 cts.

MAN OF FIFTY-SEVEN MADE TO FEEL YOUNG AGAIN.

I have used a treatment of MUNYON'S 3x Liver Remedy, 3x Kidney Remedy, 3x Blood Remedy, and 1 box of PAW-PAW PILLS, and I can truthfully say that from a very weak and nervous state I was made to feel like a new man. In fact, their use made me feel young again though fifty-seven years old. I have also used your PILE REMEDY and find it a perfect healer. J. F. JENISON, Hammonton. N. J.

"I Can Not Thank Prof. Munyon Too Much."

Jacob Kuhl, 30 Graham avenue, Edge Hill, Lucerne county, Pa., is an enthusiastic friend of Munyon's Remedies. He was suffering from a combination of dangerous diseases that affect the vital organs and threaten sudden death—Asthma, Kidney Disease and Bladder Disease. He says: "Munyon's medicines have cured me. I had Asthma, Kidney and Bladder Disease for five years. I tried a great number of doctors and many patent medicines, but did not get any relief until I saw Munyon's doctor. I used Munyon's Asthma Remedy, Kidney and Bladder Remedies, and I got relief. I cannot thank Professor Munyon too much."

MUNYON'S WITCH HAZEL SOAP

Makes the skin soft as velvet.
Improves any complexion.
Best shampoo made.
Cures most skin eruptions.

Trained Nurses Praise Munyon's Witch Hazel Soap

Mrs. Ida S. Park, Graduate Woman's Hospital, 125 North Sixteenth street, says:

"I have used Munyon's Witch Hazel Soap for some months and find it most satisfactory. It is antiseptic and just what is needed for delicate skins. Mothers will find this soap ideal for baby, as it speedily cures chafing and most skin eruptions."

Miss Ruth Lee, 1823 Arch street, of the Woman's Hospital, says:

"I do not hesitate to say that Munyon's Witch Hazel Soap is superior to all other toilet soaps that I have ever tried. It is soothing to inflamed parts and quickly heals sores and wounds."

Miss Julia Lincoln, a Blockley Graduate Nurse, says:

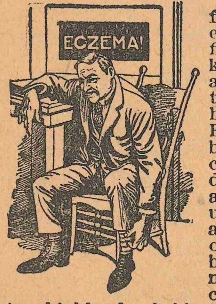
"Munyon's Witch Hazel Soap is proving a great blessing in the hospitals. I am using it constantly and consider it the finest antiseptic toilet soap on the market."

Miss Josephine Githens, 40 North Nineteenth street, says: "I am using Munyon's Witch Hazel Soap in my profession daily, and wish to say that for the toilet and for antiseptic purposes it is superior to any that I have ever used."

Mrs. E. W. Braman, 125 North Sixteenth street, says: "I find Munyon's Witch Hazel Soap excellent for the skin and prefer it to any other, and must say it is the finest soap I have ever used—both for myself and for my patients."

Munyon's Eczema Ointment.

for Eczema, Rash, Ulcers, Pimples, Sores, Itch, Boils, Black Heads, Hives, Ring Worms, Salt Rheum, Insect and Mosquito Bites, Sunburn, and all forms of Skin and Scalp Irritations.



For more than five years Professor Munyon had his chemists experimenting and laboring to find a cure for Eczema. Every known remedy was analyzed, and prescriptions obtained from the leading skin specialists in his efforts to find a panacea for Eczema. His labor has at last been crowned with success. By certain combinations he has produced an ointment that relieves all itching almost instantly and usually effects a permanent cure after a few applications. This ointment is not only for Eczema, but is just as effective for nearly every skin affliction. We cannot recommend this ointment too highly for babies who have any form of itching or rash. It is especially good for hives and prickly heat. Sold by all druggists. 50 cents a jar, large size jar $1.00.

HERE'S SOME VERY GOOD ADVICE.

Sufferers from Eczema or any skin trouble should keep their stomach, liver and bowels in a healthy condition. We strongly advise that every person who has any skin affection take a Munyon's Paw-Paw Pill nightly. They will eradicate all impurities of the blood and will keep the liver and bowels active. If you have Dyspepsia or any form of indigestion, we advise Munyon's Dyspepsia Remedy. This remedy enables one to eat all they like and what they like without discomfort. It is impossible to have pure blood and a clear skin if your stomach and liver do not work properly. Therefore, keep these organs healthy! If your liver is sluggish, don't fail to use Munyon's Paw-Paw Pills; they purify the blood, give life and glow to the complexion and correct Constipation and Biliousness. If you have any other ailment, consult Munyon's *"GUIDE TO HEALTH"* (which can be had of all druggists, or on application by mail to Munyon's Laboratory, 53d and Jefferson streets, Philadelphia, Pa., U. S. A., free of charge) and take the remedies that you need.

MOLES ARE SIGNIFICANT.

Moles are the seals of the signs and planets. While we do not know their full meaning, and much that has been written about them is pure conjecture, let no one who has a mole on the body regard it as a mere accident. It means something and may mean much.

Here is some lore on the subject:

He who has a mole on his right breast will be undoubtedly wicked.

He or she who has a mole on the stomach will be a great glutton.

He or she who has a mole on the lip will have a good digestion and will be a great talker.

He or she who has moles on the feet and hands will have many children.

He or she who has a mole on the right side of the forehead will obtain great riches, and he or she who has a mole on the left side of the forehead will be ever in need of money.

A mole on the neck, throat or chin signifies riches.

Moles on the right ears of men or women signify riches and a good reputation, and on the left ears poverty and disgrace.

A red mole on the nose of a man or woman generally betokens immoral conduct.

Moles on the ankles or feet betoken modesty in men and courage in women.

A mole on the left side of the breast betokens much ill-success and a mole on the thigh betokens much poverty and unhappiness.

A man who has a mole on or about his knee will be virtuous and wealthy, and the woman who has a mole on her left knee will be the mother of many children.

A mole on the neck indicates strength and one on the arm or shoulder shows great wisdom. According to an old writer, "When Englishmen (the common people) have warts or moles on their faces they are very careful of the great hairs that grow out of these excrescences; and many look upon these hairs as tokens of good luck."

Consumption in Both Lungs Cured.

Michael Corey, an Italian, of 9 Center street, Wilkesbarre, Pa., says: "I was cured of a bad cough and Consumption in two lungs for two years. No other doctor could cure me. Now I am cured and strong and do much work all right again. I tell all my people Munyon's Remedies cured me."

MONTH POEMS.

January.

By her who in this month be born
No gems save garnet should be worn;
They will insure her constancy,
True friendship and fidelity.

February.

The February-born shall find
Serenity and peace of mind,
Freedom from anger and from care,
If they an amethyst shall wear.

March.

Who in this world of ours their eyes
In March first open shall be wise;
In days of peril firm and brave,
And wear a bloodstone to their grave.

April.

She who from April dates her years
Diamonds shall wear, lest bitter tears
For vain repentance flow. This stone
Emblem of innocence is known.

May.

Who first beholds the light of day
In spring's sweet flowery month of May
And wears an emerald all her life,
Shall be a loved and happy wife.

June.

Who comes with summer to the earth
And owes to June her hour of birth,
With rings of agate on her hand,
Can health, wealth, and long life command.

July.

The glowing ruby shall adorn
Those who in July are born;
Then they'll be exempt and free
From love's doubt and anxiety.

August.

Wear a sardonyx or for thee
No conjugal felicity;
The August-born, without this stone,
'Tis said must live unloved and lone.

September.

A maiden born when September leaves
Are rustling in September breeze
A sapphire on her brow should bind—
'Twill cure diseases of the mind.

October.

October's child is born for woe,
And life's vicissitudes must know;
But lay an opal on her breast
And hope will lull all woes to rest.

November.

Who first comes to this world below
With dread November's fog and snow,
Should prize the topaz's amber hue:
Emblem of friends and lovers true.

December.

If cold December gave you birth,
The month of snow and ice and mirth,
Place on your hand a turquoise blue;
Success will bless what'er you do.

Piles Quickly and Permanently Cured.

Louis F. Schmidt, 140 South Lincoln avenue, Scranton, Pa., suffered intensely with Piles until he used Munyon's Pile Ointment. He was completely cured before he had used the second tube. That was five years ago, and he has never had a return of the trouble. He found relief on the first application and has recommended the Pile Ointment to several people, who have also been cured.

MUNYON'S HEADACHE REMEDY, TRIAL BOX, 6 CURES, 10c.

Nervous Diseases.

NERVOUSNESS, NERVOUS EXHAUSTION, INSOMNIA OR SLEEPLESSNESS, NEURALGIA, EPILEPSY.

Munyon's Nerve-Remedy has been especially prepared for those who suffer from nervousness and nervous exhaustion. Every ingredient in it has been selected to act directly on the nerve centers. It is a remedy for all the symptoms of a weak condition of the nervous system, such as depressed spirits, peevishness, irritability, general sensitiveness of the whole nervous system, failure of memory, inability to concentrate the thoughts, morbid fears, restless and sleepless nights, pains in the head, noises in the ears and dizziness. It is a remedy for nervous prostration, stimulates and strengthens the nerves, and tones up the whole body. In **Munyon's Nerve-Remedy** we have a remedy comprising all that the most careful researches of scientific treatment have developed—a remedy which, if faithfully depended on, and religiously adhered to, will restore those overworked and sensitive nerves to a normal condition. **Price, 25 cents.**

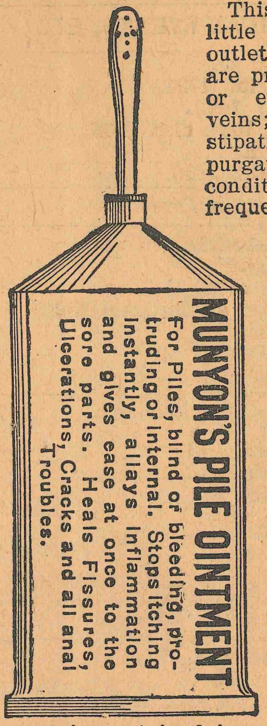
Treatment.—Take four pellets of the **Nerve-Remedy** every hour. Secure plenty of sleep and rest. Study also the cause of your nervousness and remove it by taking the appropriate remedy in conjunction with the **Nerve-Remedy.** If the stomach and bowels are not in good condition use the **Dyspepsia-Remedy** in alternation with the **Nerve-Remedy.** If the liver is out of order take the **Liver-Remedy and Paw-Paw Laxative Pills.** If there are female disorders use the **Female-Remedy,** and so on.

Imsomnia or Sleeplessness. **Munyon's Special Nerve-Remedy** has probably cured more cases of sleeplessness than all other medicines combined. It should be taken at least six times a day, and always just before retiring.

Munyon's Pile Ointment

A New and Common Sense Treatment. Relieves Instantly.

CURES POSITIVELY OR MONEY REFUNDED.



MUNYON'S PILE OINTMENT
For Piles, blind or bleeding, protruding or internal. Stops itching instantly, allays inflammation and gives ease at once to the sore parts. Heals Fissures, Ulcerations, Cracks and all anal Troubles.

This disease consists of little tumors around the outlet of the bowels. They are produced by congestion or enlargement of the veins; hence chronic constipation, the use of violent purgatives, and weakened condition of the system are frequent causes. There are many kinds of piles—bleeding piles, blind or internal piles, and protruding piles. The itching, the burning, the pains and the distress which they produce are a constant strain on the nervous system, and a cause of nervous debility. **Munyon's Pile Ointment** for piles, blind or bleeding, protruding or internal; stops itching instantly, allays the inflammation, and gives ease at once to the sore parts; heals fissures, ulcerations, cracks, and all anal troubles. The Ointment is contained in a soft metal tube, with ingenious attachment, and is applied at once to the seat of disease. With this tube you medicate the inflamed and sore spots that cannot be reached in any other way. It is clean, convenient and economical. Relief is immediate; cure soon follows. **Price, 25 cents.**

HEADACHES.

The Munyon Company has produced a remedy that will not only correct any and all forms of headache without leaving behind any injurious effects, but will act as a potent agent in removing the cause. We are prepared to say that **Munyon's Headache-Remedy** will positively relieve headache in from three to seven minutes. It is a sure remedy for every form of headache, no matter what the cause, whether from indigestion, nervousness, torpid liver, constipation, colds or catarrhal troubles, overwork or over-indulgence, either in eating or drinking. It has proved universally successful in all acute and depressed headaches where other remedies have failed.

BILIOUS HEADACHE ENTIRELY CURED.

Richard Murphy, Los Angeles, Cal., will tell you how his bilious headache was entirely cured after using Munyon's Remedy.

Mrs. Emma Collamer, 1967 Echo avenue, Los Angeles, Cal., says: "I have used your Headache Remedy, and found it the ONLY SURE CURE. I would never ask for anything else, and feel I can not say enough for this Remedy."

Thousands have Suffered and Been Cured.

Mrs. P. Mole, of St. Paul, suffered intensely from catarrh for several years. Listen to what Mrs. Mole has to say about Munyon's Catarrh Remedy. "For years I did not have an hour of comfort. I was in such constant distress from the disease that I shunned all society and kept in the house as much as possible. I tried everything that my friends recommended and consulted several physicians, but all to no avail. At last, when I had given up hope of ever being cured, I was advised to try Munyon's Catarrh Cure. The first day I began taking the remedy the improvement in my condition was noticeable. I was so elated that I could scarcely be happier, when at the end of a week I found that I could breathe with perfect ease and the discharge from my nose had almost ceased. I continued on with the remedy, and am now well, and it gives me great pleasure to recommend it to all who may suffer from similar troubles."

Had Tumor of Breast—Relieved by Munyon.

Miss Mary Abend, 545 Hazel avenue, Wilkesbarre, Pa., writes: "I have been suffering from Rheumatism, Dyspepsia, Goitre and Tumor of breast for two years. I could not find any relief until I saw Munyon's doctors and took their medicine. I am now feeling well and would advise any one to use Munyon's Remedies."

Cured in a Short Time.

Peter Banks, 14 Thomas street, Westmore, Pa., writes: "I have been a great sufferer from Rheumatism, Dyspepsia and Constipation for the past five years. I tried many doctors and used all the advertised medicines, but they did me no good. I tried Munyon's Remedies and got cured in a short time."

MUNYON'S HEADACHE REMEDY, LARGE BOTTLE, 25c.

DYSPEPSIA.

INDIGESTION AND STOMACH TROUBLES

MUNYON'S DYSPEPSIA-REMEDY

is simply invaluable. It soothes, heals and invigorates stomachs that have been weakened by overeating, or where the lining of the stomach has been impaired by physic and injurious medicines. It should be taken for all forms of dyspepsia and indigestion such as rising of food, distress after eating, bloating of the stomach, palpitation of the heart, shortness of breath, and all affections of the heart caused by indigestion, wind on the stomach, belching wind or sour food, bad taste, offensive breath, loss of appetite, faintness or weakness of the stomach, improper circulation, coated tongue, heartburn or waterbrash, inflamed or ulcerated stomachs, shooting pains of the stomach, constipation and costive bowels, dizziness, faintness and lack of energy. Price, 25 cents.

NOTE THESE SYMPTOMS.

Is there distress after eating?
Is the stomach sore and tender?
Does the food rise in the throat?
Do you have nausea or vomiting?
Do you suffer from sick headache?
Is your tongue furred and coated?
Do you have a bad taste in the mouth?
Are the bowels irregular or constipated?
Do you have colic or pain in the stomach?
Do you raise wind or gas from the stomach?
Does sour or bitter water come up in the mouth?
Do you have a faint or weak feeling in the stomach?
Do you have bloating of the stomach and abdomen?
Do you have great fulness or distension after eating?
Do you have weight and heaviness or pressure in the stomach?
Is your appetite irregular, sometimes lost, or sometimes too great?
Do you have pain in the stomach when empty, which is relieved by eating?

If you have any of the above symptoms you need Munyon's Dyspepsia Remedy.

MONEY REFUNDED.

I want every person who suffers with dyspepsia, or any form of indigestion, to read the following testimonials, and then get a bottle of Munyon's Dyspepsia Remedy. If you are not entirely satisfied with the results, I will refund your money.—MUNYON.

J. C. Smith, 1504 Washington street, St. Louis, writes he is happy to say that his health is so improved since using Munyon's Dyspepsia Remedy that he can eat anything with perfect impunity. For years he had to diet and restrict himself to food which was deficient in strength. A man in health can eat anything "Thanks to Professor Munyon and his remarkable remedy I am now a healthy man."

C. M. Koisopp, Hotel St. Francis, San Francisco, was sorely afflicted and was susceptible to all forms of stomach trouble; rarely able to enjoy a meal for fear of indigestion. "After taking a few bottles of Munyon's Dyspepsia Remedy I was entirely cured. I can now digest anything."

Here is a testimony from Los Angeles. Mr. Henry C. Phillips says that indigestion was "the curse of his life." He was unable to get any nourishment from anything he ate. Nothing, not even the simplest foods, were digestible. He could not do a full day's work for years. He heard of Munyon's great Remedy and was cured.

E. E. Ramsdell, of Huntington Park, Cal., a man who had mining interests in Arizona, was prevented from attending to his business because of his intense suffering from indigestion and lumbago. He now writes from New Gallas, Arizona, that shortly after beginning to take Munyon's Dyspepsia Remedy he was able to depart from Huntington Park, and now he is entirely free of his old trouble. He attributes his present condition of perfect health to the wonderful properties of Munyon's Remedies. He used the Kidney Remedy in connection with the Dyspepsia Remedy.

O. G. Jefferson, 109 Church street, Charleston, S. C., was cured of a long-standing stomach trouble complicated with rheumatism by using the Munyon Remedies for Dyspepsia and Rheumatism. He writes to Professor Munyon to express his thanks, and requests that if the use of his name will influence others to seek and find the same relief that he has, that sufferers from indigestion and rheumatism write to him.

ANOTHER MUNYON ENTHUSIAST.

Mr. William Crawford, 1732 Seaton street, Northwest, Washington, D. C., is quite as enthusiastic about Munyon's Dyspepsia Remedy as others are about the Rheumatism Remedy. He says one bottle of Munyon's Dyspepsia Remedy, costing but 25 cents, promptly and effectually cured him. Mr. Crawford is a Munyon enthusiast. He never tires telling his friends about the curative qualities of most of Munyon's Remedies.

A "POSITIVE CURE."

Mr. L. R. Corinth, Hotel Broezel, Buffalo, in speaking of Munyon's Dyspepsia Remedy, says: "You are at liberty to use my name indorsing your Dyspepsia Remedy in any way you like, for after trying many medicines and consulting many doctors, I find that Munyon's Dyspepsia Remedy not only gives immediate relief, but is a positive cure."

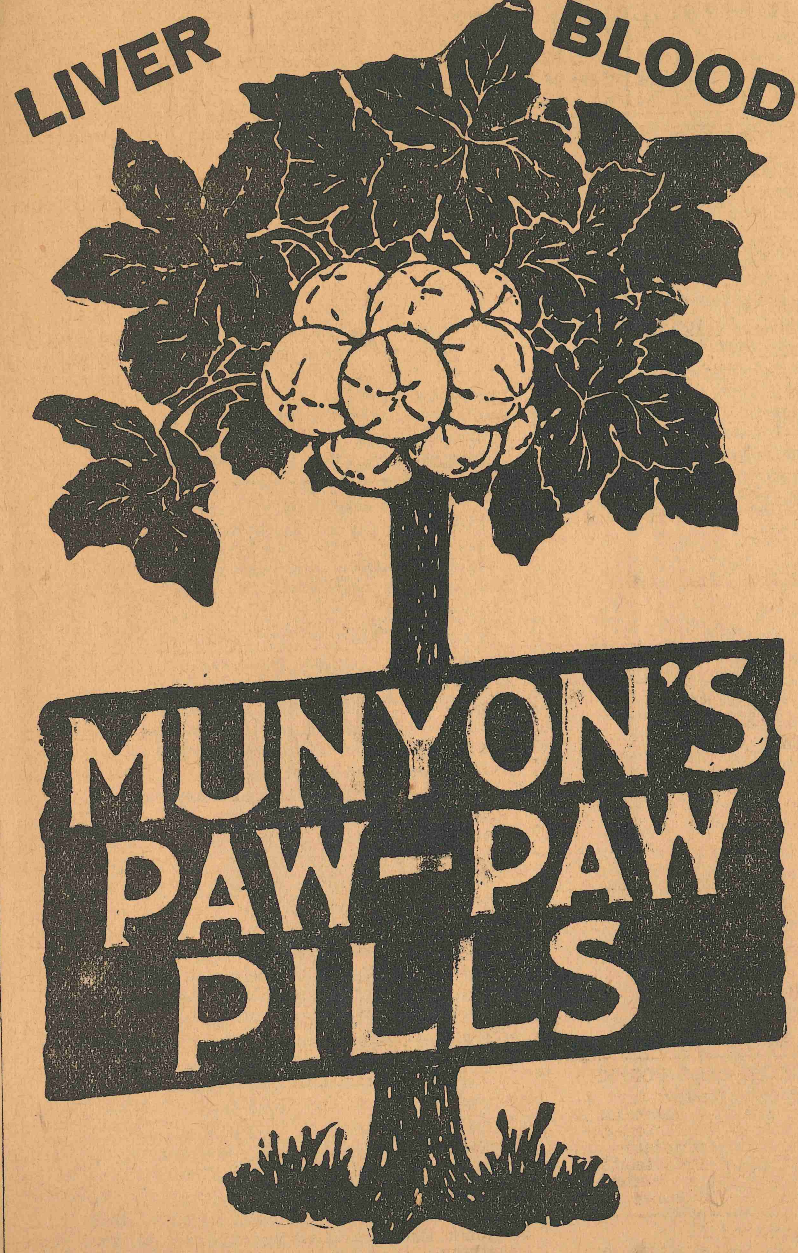
Sciatica Conquered.

Joseph Hayward, 87 Church street, Wilkesbarre, Pa., says: "I have used Munyon's Remedies for Sciatica, Kidney Disease and Dyspepsia. After sufferinug the most excruciating pain for two years, Munyon's Remedies have cured me. I tried most everything and every doctor without relief until I met Munyon's doctors and took Munyon's Remedies. I got relief in a few days and was cured before three weeks."

CONSTIPATION



Paw-Paw is a fruit that grows in most tropical countries and is regarded by physicians as the greatest digestive known. In fact, it is the only vegetable pepsin yet discovered. Its action upon the liver and stomach is truly wonderful. Having combined this natural remedy with other medicants, I assert that I am giving to the world the greatest stomach, liver and blood remedy known to mankind.

Munyon's Paw-Paw Pills are unlike all other laxatives or cathartics. They coax the liver into activity by gentle methods. They do not scour; they do not gripe; they do not weaken; but they do start all the secretions of the liver and stomach in a way that soon puts these organs in a healthy condition and corrects constipation. In my opinion constipation is responsible for most ailments. There are thirty-two feet of human bowels, which are really a sewer pipe. When this pipe becomes clogged the whole system becomes poisoned, causing biliousness, indigestion and impure blood, which often produces rheumatism and kidney ailments. No woman who suffers with constipation or any liver ailment can expect to have a clear complexion or enjoy good health. If I had my way, I would prohibit the sale of nine-tenths of the cathartics that are now being sold, for the reason that they soon destroy the lining of the stomach, setting up serious forms of indigestion and so paralyze the bowels that they refuse to act unless forced by strong purgatives.

Munyon's Paw-Paw Pills are a tonic to the stomach, liver and nerves. They invigorate instead of weakening; they enrich the blood instead of impoverishing it; they enable the stomach to get all the nourishment from food that is put into it.

These pills contain no calomel, no dope; they are soothing, healing and stimulating. They school the bowels to act without physic.

For babies, invalids and those who cannot take Cathartics Use Munyon's Constipation Ointment. See page 13.

Vegetables as Medicine.

One may greatly facilitate the healing properties of medicine by eating certain vegetables. A study of their application in certain diseases is given here:

Dates are splendid as preventatives of constipation, and are very nourishing.

Tomatoes are good for the liver, and an excellent blood purifier.

Onions and celery should be used frequently by persons suffering from weak nerves.

Lettuce has a soothing effect on the nerves, and owing to the small quantity of natural opium found in it, lettuce is a sedative and cure for insomnia.

Thin persons who want to put on flesh should eat beets and potatoes.

Spinach acts as a slight laxative and will prevent constipation.

Cabbage is good for pulmonary complaints, but should be eaten raw, or used with olive oil. The old impression that raw cabbage creates a colic is absurd.

Cranberries were added to the Thanksgiving bill of fare because they correct the liver when it is torpid as a result of over-eating.

It has been found that Olive Oil, taken with a pinch of salt is tasteless.. Olive oil taken in tablespoonful doses half an hour before breakfast and again at supper cures intestinal derangements and is beneficial in dyspepsia and indigestion.

Recommends Munyon's Cold Remedy.

Sufferers from Cold should write Mrs. Thoms James, 1136 Eynon street, Scranton, Pa., who will tell them of the wonderful results of Munyon's Cure Remedy. She says: "Munyon's Cold Remedy often prevents a Cold and always cures it completely." She would not be without it in the house.

Tired, Burning Feet Cured.

Mrs. A. M. Reber, of Blandon, Berks county, Pa., who buys Munyon's Witch Hazel Soap in three-dozen lots and recommends it to many persons, says: "I have used Munyon's Witch Hazel Soap for tired, burning feet by making a thick lather and allowing it to dry on. I cannot say too much for Munyon's Witch Hazel Soap."

Doctors Gave Him Up; Cured by Munyon.

D. R. Williams, who lives at 920 Wyoming avenue, West Pittston, Pa., says: "I have suffered for four years with Liver Disease, Rheumatism and Dyspepsia. Doctor gave me up to die. I tried Munyon's Remedies, and now I am well and back to my work."

"Relieved in a Few Days."

Miss Cora Hazelton, 253 Bowman street, Wilkesbarre, Pa., says: "I have suffered from Rheumatism, Dyspepsia, Kidney and Bladder Trouble and Constipation for over four years. Tried different doctors and medicines and did not get any relief until I took Professor Munyon's Remedies, and then I got relief in a few days."

Railroad Man Indorses Munyon's Vitalizer.

George Hicks, 634 O'Hara street, Scranton, Pa., who has been Engine Inspector for the Delaware, Lackawanna & Western Railroad for many years, says: "I have used Munyon's Vitalizer and other Remedies for Biliousness and Nervous Debility, and I have found them to be the most reliable and effective of anything I have tried."

Experimented Twenty Years, Then Cured by Munyon.

For twenty years Miss Mary Terrego, of Dallas, Pa., suffered, calling doctor after doctor to her assistance, without experiencing any relief. She took all kinds of medicine, but none of it did her any good. Her suffering continued and her Liver, Stomach, Kidneys, Nerves and Bowels only became the more diseased. She finally determined to try Munyon's Remedies, of which she had heard so many favorable words. She says: "I am glad to say, after suffering and trying all doctors and taking all kinds of medicines for twenty years, at last Munyon's Remedies cured me in less than a month."

LUCKY AND UNLUCKY SIGNS.

A Brief Compendium of Folk-Lore.

An interesting diversion is found in the study of folk-lore. There is an unending field of it from which the most universally accepted is here given:

Kisses.

If a dark complexioned man who is in love with you kisses you, expect a proposal.

There are no less than eight signs to kissing: Salutation, valediction, reconciliation, subjection, approbation, adoration, treachery and love.

A kiss on the forehead signifies respect and admiration for intellect.

A kiss on the cheek signifies admiration for beauty.

A kiss on the nose shows awkwardness.

A kiss on the hand signifies timidity and homage.

A kiss on the lips signifies love.

All who kiss the bride after the ceremony and before the husband does, will have good luck for a year.

In Yorkshire, when a newly wedded pair first enter their house, a hen is brought in and made to cackle as a sign of good luck.

In the Highlands of Scotland, it is unlucky for the bride to go at once to her new home; so she stops at the inn until the guests have arrived.

If two brides kiss at the first meeting after marriage, their wedded lives will be full of happiness.

If you kiss your dead husband or wife as they lie in the casket, you will be sure to marry soon again.

To kiss a man and get a hair in your mouth from his moustache, is a sign you will die an old maid.

To kiss one friend, then to kiss another, and then to kiss the first again, is a sign of very bad luck to the one kissed last.

Correspondence.

If you write seven or thirteen sheets to your lover, you will be sure to get the mitten.

If a man writes a love letter in pencil to a girl, it is a sign that they will never marry.

If your hand trembles as you write to your beloved, his love for you is strong.

To make a blot on a love letter shows that the person to whom you are writing is thinking of you at the moment.

If you utter a wish while writing a letter to your sweetheart under an oak tree, your wish will come true.

Do not mail a love letter on Sunday, or you will have a dispute with your lover.

If a bride receives a letter from her former lover on her wedding day, she will be unhappy.

It is unpropitious for a bride to receive letters in mourning envelopes.

It is unlucky for a bride to have a postman forget to leave her mail and come back for it.

If a bride or groom receives a telegram of regrets on the wedding day, it is a sign of unfaithfulness on the part of the other one.

A love letter insufficiently stamped is an evil sign.

If your lover sends you an unsealed letter, it is a sign that he is growing cold towards you.

On receiving a proposal by letter, open it out flat, then fold it nine times, put it in an old glove under your pillow and sleep on it. You will dream the answer you ought to give.

If you keep a love letter in your shoe, your lover will be faithful to you.

If a bride carries one of her lover's love letters in her pocket during the ceremony, she will have his entire love during life.

When a couple are corresponding and the lady has serious intentions, she can make the gentleman equally anxious by wearing his letter on her heart.

"Ill luck before frost,
If a love letter is lost."

If a maiden receives letters from a lover and burns them and then marries him, she will be left his widow.

To burn letters from a sweetheart is very bad luck. Tear them up.

If you destroy a love letter do not venture on the water for a month.

The bride must tear up every letter which she has received from other gentlemen relating to marriage, into pieces not larger than postage stamps and have them strewn into the fire by some third person, or their spirits will haunt the home she goes to to make her home.

Miscellaneous.

It is unlucky to turn the mattress of a sick person on Friday night.

Shake the pillows well and you shake off trouble.

It is unlucky for a person to lie with his or her feet out of bed.

To reverse the pillows in a bed is a sign of sickness or even death.

It is unlucky to make a pillow out of another person's clothing.

If a slat falls out of bed it is a sign of coming riches.

If you clean your bed on St. Patrick's day, you will never have bugs.

When making pies, if the person engaged in the work, after putting the crust on the plate, trims it all around without changing hands, she will be lucky.

He has lived to no purpose who has not built a house, written a book or begotten a son.

It is considered an ill omen to build a house with an even number of stairs, doors or windows.

MUNYON'S

Improved Homoeopathic Remedies.

Professor Munyon says that every ache or pain is a voice which speaks as plainly as the tongue, calling for such remedies as nature demands. When scientists have interpreted that language, then a cure will be found for each particular disease. He believes that there is a cure for every ailment, and that people should die only from old age or by accident. He has now fifty-seven remedies—for fifty-seven different diseases. Some day science will discover the others. They are not the product of one man; but represent the combined labors of a score of the most prominent men in the medicine world. These remedies are the carefully secured results of the years of study, of the patient and searching investigation, of the constant experiment and actual practice of eminent physicians, skilled specialists, and learned chemists of two continents. Each was a demonstrated cure before given acceptance. That which has cost thousands of dollars to secure is offered to you for a few pennies. The whole secret of Munyon's Improved Homœopathic Remedies is the science of combining and harmonizing all drugs that are known to cure certain diseases, so that by special combination there is covered every phase of a case, no matter what the disease may be. There is **no experimenting, no guesswork, no danger, no loss of time.** Munyon's Remedies are perfectly harmless, and may always be relied on. Munyon's Remedies are easily administered at home. There is no need to call a doctor. Each cure has plain directions which tell you how to use them; every symptom is plainly described; the mother can become the family doctor; big bills are no longer a household terror.

DOCTOR'S ADVICE FREE.

If you are ailing with any disease Professor Munyon would consider it a great favor if you would write him stating fully all your symptoms. He will send you an examination blank and your case will be carefully diagnosed, you will receive the same thorough examination by our doctors as if you were examined in our medical offices. All communications are treated strictly confidential and are answered in plain envelopes. Our Medical Mail Department is having great success in curing old obstinate cases. Remember, we sweep away all the doctor charges, we put the best medical skill at your service absolutely free. We want you to feel at liberty to write us whenever you need any medical advice, and to fully understand that there will be no charge of any kind for our services.
